

The Northwest Missourian

Vol. 50 No. 2

Maryville, Missouri

October 2, 1963

Dreher to Play At AWS Ball

The Bobby Dreher Orchestra, Scranton, Ia., will provide music for the Harvest Moon Ball Saturday night, from nine to one.

Tickets will be sold by AWS representatives tonight and Thursday night in Hudson Hall from 9 to 10 p.m. Tickets may be purchased Saturday night at the door for \$1 per couple.

The Ball will be held in the Blue Room, with refreshments to be served in the Rose Room. Semi-formal wear will be appropriate.

The annual fall affair will be sponsored for the first time by the Associated Women Students, with all women helping with the preparations. In the past the dance had been sponsored by the dormitory women only.

Like Dogpatch's impending Sadie Hawkins Day, the Harvest Moon Ball is a chance for coeds to snag an elusive male of the species. Gals ask the guys to this dance, but in the case of those females who insist on the code of chivalry, the men will have to use standard procedure.

Federal Career Man To Be in Den Oct. 14

Students interested in Federal careers will have an opportunity to learn about civil service work on Mon., Oct. 14.

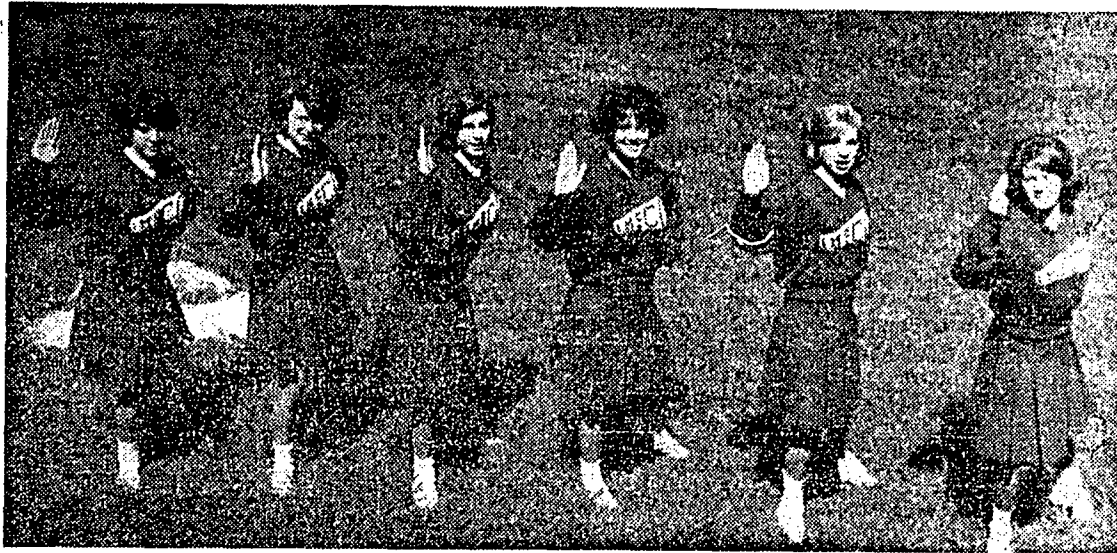

On that date Harry Kasper, district Social Security Manager at St. Joseph, will be in the Bearcat Den from 8:30 a.m. to 3:30 p.m. He will be accompanied by Miss Lucile Raney, a 1961 graduate from MSC, who is now a claims representative in the district social security office.

The recruiters will explain the various positions that are available to those who successfully pass the Federal Service Entrance Examination, which will be held on the campus on Nov. 16. The register set up by the FSE test is used by over sixty Federal agencies to recruit qualified young people. The minimum salary offered is \$4,690 yearly, with some openings at \$5,795 annually. Promotions are made after completion of an initial training period.

No appointment is necessary for the October 14 visit. The recruiters will talk to anyone who wishes information about any type of Federal employment.

MSC Representatives To Attend Conference

Dr. Kathryn Riddle, Miss Sara Beth Kurtz, Mrs. Dorothy Walker, Miss Mariam Sheldon, and Miss Bonnie Magill are planning to attend a fall conference of the Central Association for Physical Education of College Women at Crescent Beach Lodge, Lake Okoboji, Ia.

SIX COEDS ON THE GO—MSC's six peppy cheerleaders strike a winning pose for the Missourian camera. They are Pat Noah, Marcie Severson, Kathy Johnson, Sandy Maynard, Marge MacDonald, and Linda Chastain. (Photo by Karen Wilson)

School's Out For NWMTA Meeting

All classes at MSC will be dismissed Oct. 11 and 12 for the Northwest Missouri Teachers Association meeting.

Mr. Everett Brown, association secretary, has invited all MSC students to attend any of the programs during the two-day meeting.

Dr. Walter Judd, a former U.S. Congressman, Miss Barbara Holliday, a reporter from the Detroit Free Press, and the Don Cossack Chorus and Dancers will appear before general sessions of the association. Also included will be national and local authorities speaking on all phases of education and teaching.

Dropping Classes Deadline Oct. 11

Students wishing to drop classes have until Friday, Oct. 11 to do so, according to Dean of Administration, Robert Foster.

To drop a class, students must obtain a drop slip from the registrar's office, write the reason for dropping on the back, and get his advisor's approval. A fee of \$1 is charged for dropping a class.

The last day for adding a class was Friday, Sept. 27.

New Trust Fund Open To Nodaway Students

The William Barry Foundation, established by the late Mr. Barry, is a \$50,000 trust fund to provide non-interest loans to worthy and needy graduates of Nodaway County high schools to obtain a higher education.

Under the trusteeship of W. G. Cummins, A. J. Dinsdale, and Everett W. Brown, the foundation provides loans for students attending colleges and universities, nursing schools, and approved vocational schools. Applications for loans may be obtained from Mr. Brown.

Union Board Selects Am. Royal Candidate

Miss Linda Bouska, junior from Ravenwood, Mo., will represent MSC in the 1963

Miss Linda Bouska

American Royal queen contest, according to Union Board Chairman Richard Schmitz.

This will be the first time that the college has had an official candidate for the contest. Linda will go to Kansas City for the American Royal Oct. 16-20 accompanied by a friend. She was chosen at a special meeting of the Union Board.

Tower Schedules Class Pictures

Individual pictures for the Tower will be taken as follows:

Juniors—Sept. 30-Oct. 4.
Seniors—Oct. 7-11.

All pictures will be taken in CH 106 by Fred Dunn.

Group pictures—sororities, fraternities, and campus organizations—will be taken Nov. 11-22. Letters will be sent to each organization indicating time and place.

Faculty members can have pictures taken in CH 106 at the same time students are having theirs taken or faculty may also make special appointments at Frederick's studio.

Richey Earns Ph.D. From Colorado U.

Burton Richey, member of the physical education department of Northwest State College, received his doctor of education degree at the University of Colorado, Boulder, Aug. 24.

Dr. Richey is starting his 11th year at MSC. The first seven years here he was a supervising teacher and coach at Horace Mann Laboratory School, and the past three years has been a member of the physical education department.

The title of Dr. Richey's dissertation was "A Survey of the Responsibilities and Qualifications of Athletic Directors in Selected Colleges."

Dr. Richey received his bachelor of science degree at MSC in 1951 and his masters' degree at the University of Colorado in 1956. He served in the United States Army from 1951 to 1953.

He is married to the former Miss Roberta Walker, who also is a 1951 MSC graduate. Dr. and Mrs. Richey and their two children, Julie, 5, and Scott, 2, reside at 511 W. 1st St.

English Proficiency Exams Slated for November 13

English Proficiency Exams will be given Wednesday, Nov. 13 at 3:00 p.m. in the college auditorium.

It is the responsibility of the student to take the exam after he has earned 45 hrs. of academic work and has successfully completed two semesters of English Composition. This fall, transfer students will be required to take the exam no matter how many hours they have brought in.

Subject matter for the exam may be something read to the students, a film strip, or a short movie. Students then describe what they have seen or heard. Each paper is read and graded by five members of the faculty and given a passing or a failing mark. Passing the exam is a requirement for graduation and a prerequisite for application for directed teaching.

Homecoming Plans Assume Final Form

Highlighting the fall activity schedule will be the 1963 Homecoming, Oct. 24-26.

Under the direction of co-chairmen Jeri Irvin and Ray Christie and faculty sponsor Dr. John Harr, the annual event will include a variety show, a parade, a football game, a big dance and many dinners and parties for returning alumni.

The general Homecoming committee decided to have the Student Union open on Saturday, Oct. 26, for the alumni and students where free coffee will be served. They also set the deadline for the clown and jalopy entries for the Homecoming parade for Monday, Oct. 14.

Rehearsals Start Monday

Dr. Ralph Fulsom has appointed a member of the Speech and Drama Department to work with each organization for the variety show. The rehearsals for the show start Monday.

The committee decided to limit the number of high school bands participating in the parade. Invitations will be sent to those bands who received I ratings in previous performances.

Committees making the arrangements for the events are as follows:

Dance Decorations—Charles Summers, Richard Olenius, Jack Stoner, Karen Frazer, Jo Ann Fabro, Wanda Cox, Keith Lambertsen, Virginia Bright and George Marsh.

Campus Decorations—Martha Kleevers, Mike Thompson, Gary Thompson, Wayne Hartman, Ron Anderson and Mary Mather.

Judges—Ron Fitch, Jane Shaver, Bart Kemery and Bob Schubert.

Parade—Stuart Bintlner, Kathy Swoboda, Gene Beck, Sarah Kreft and Peggy Whan.

Queen—Jim Sanders and Student Senate representative.

Publicity—Janet Tussey and Sharon Cross.

Program Co-ordinator—Karen Bjorn.

Pep Rally—Marge MacDonald, Linda Chastain, Kathy Johnson, Marcie Severson, Pat Noah and Sandy Manard.

A.W.S. Float—Helen Meyer.

Variety Show—Martha Duffee, Debbie Price, Joyce Owens, Doug Johnson, Sharon Harms and Gladys Hansen.

Tickets (variety show and dance)—Donna Rihner.

Business Manager—Frank Fisher.

Signs and Posters—Art Club.

Unregistered Autos To Be Fined \$25

Fines of \$25 will be assessed to all car owners who have not registered their vehicle with the business office.

The administration asks that all unregistered cars be registered immediately.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Tonight--In Person at MSC

The Kingston Trio, Harry Belafonte, Peter, Paul, and Mary, Bob Newhart, the Limelighters, Johnny Mathias—

Would you like to see and hear these famous entertainers on campus? Would you like to take a break from studying to participate in a Hootenanny?

At present, the Union Board Assembly and Central Party Committees have booked several name performers for assemblies and dances. They have an increased budget which will enable them to bring bigger and better programs to MSC. No admissions fee is charged for Union Board Assemblies.

But since the Union Board has to pay for such entertainment, there is a limit to the number and quality of special entertainment which they can provide.

If several campus organizations, such as fraternities and sororities could get together to guarantee the fee necessary to bring a big name group here, and if they could be assured of a large, paying crowd to attend, we could have some swinging weekends.

Lamkin Gymnasium seats over 4,000 people for a concert. Top calibre singers or bands cost between \$1,500 and \$2,500 for a one-night stand. If a \$1 admission fee were charged and a near sell-out crowd attended, not only would the sponsoring groups make a nice return on their investment, but the students of MSC would have an opportunity to see several of the performers listed above at a quite reasonable cost.

Last year, the Four Freshmen attracted a packed house, as did the Globetrotters. Why not continue such quality shows on a more frequent basis?

We have not investigated all of the legal intricacies of the problem involved here, but we do think that if we, the members of the student body, show a great deal of enthusiasm something will be worked out.

If you are interested in seeing big-name entertainment here at MSC, and if you are willing to pay for it in addition to your regular fees, let us at the NORTHWEST MISSOURIAN or members of the Union Board know.

This could be the start of something grand. —bj

On Walkout Day

Walk Out Day is rapidly approaching. Rumors will soon leak out as to the exact date, but some bright morning drowsy students will be awakened by ole '48 ringing out the joyous tidings of liberation.

For many students this will be a chance to catch up on what most lack—sleep, and others will try desperately to dash home for a renewal of spirit, and find they just have time to refuel their car for the return journey.

Is this the reason for Walk Out Day?

Mattie M. Dykes said that the first Walk Out Day, Friday Oct. 22, 1915, was full of gaiety, fun and togetherness. On that day the whole group raced off to frolic in a near-by woods.

According to Jim Sanders, Student Body President, this year will be similar. Starting the morning festivities, a local band will lead a march through town and on to a park or shady area for group games. While resting after such exhilarating fun, entertainment will be a big-name singing group with a hootenanny type of songfest. For those who still have vim and vigor, a dance will be held in the evening.

So when the sound of frantic ringing is heard, don't hide or run, join the crowd. There still could be the dread of kangaroo court and hair baths of eggs and cornflakes.

—Helen Johnson

The Book Shelf

This year the Wells Library will require that students present their identification cards when they check out a book in order to prevent students from using false names. Until the ID cards are distributed, the former method of checking out books will be used, according to Miss Barbara Palling, reference librarian.

When the prints now on display in the Art Gallery are framed, they may be checked out by any student living on campus. The prints may be kept as long as the student lives on the campus.

Students Can Submit News Items, Want Ads

Individual students or organizations may submit news items or want-ads for publication in The Northwest Missourian.

Want-ads (notices of articles needed or for sale), will appear without charge if the student brings the article's description to THE MISSOURIAN office, CH 109. Campus news collected by students not on the staff, which is of interest to a large number of MSC students may also be submitted for publication in the same manner.

It is impossible for a small newspaper staff to cover all social activities. If any organization wishes news of its group's plans and activities to be published it must appoint or elect a representative to cover activities and turn in news copy weekly.

News copy for THE MISSOURIAN should be typed or written, double-spaced, and labeled as to source of information. Deadline for contributions is Thursday at 4 p.m.

Union Board News

The primary purpose of your Union Board is the development and co-ordination of a college union program for all-school social events, small groups, and individuals, supplementary activities sponsored by the different campus organizations.

Through its various committees and staff, it provides a cultural, social, and recreational program, aiming to make free-time activity a co-operative factor with study in education.

In order to carry out to the greatest extent the goal of providing nationally-known entertainment and recreation, the Union Board needs assistance from many individuals - namely students. Help given by students in conjunction with administrative sponsorship insures the greatest potential of obtaining entertainment which the student body will like.

Joining the Union Board would put you in a position to be directly concerned with campus recreational activities. Also, you as students, may at any time offer suggestions concerning campus affairs. This can be done by placing your suggestion in the U. B. suggestion box in the den.

Presently, many fine weekend movies are on the schedule along with den dances. Providing these events are the T.V. and Movie committee and Union Dance committee, headed by Rich Cornelison and Pat Harr, respectively. Campus Bowl is in the formation stage. This year the tournament and game committee is going all out to make campus bowl a very successful as well as intellectual event. Anybody interested in submitting a team should contact Bob Dicky (TKE)

house), chairman of this committee.

Anyone interested in joining the Union Board should obtain application petition from Mr. Bill Needle's office (2nd floor Union Building) or from any Union Board member.

Richard Schmitz
Union Board Chairman

Parking Tickets

The MSC Traffic Court, operating for the purpose of hearing traffic violation appeals, will be in session every Mon. at 4 p.m. in AD119.

If a student wishes to appeal his traffic violation, he must report his intention to the business office within 48 hours following his summons. The person must then appear at court the following Mon., since a non-payment penalty will begin on that day if he is absent.

MSC Art Gallery Displays Loan Prints

Several prints representative of the rental collection of art at Wells Library are now being exhibited by MSC's art department.

The prints will be shown through Oct. 4. Following this exhibition will be one made up of examples of Japanese children's art opening Oct. 7.

Dance Club Members Meet

Twenty-four members were present at the first meeting of the Dance Club, Sept. 17, in Martindale Gymnasium.

At the Sept. 24 meeting, members learned the first part of a modern jazz routine. Later in the year, the Dance Club will sponsor a guest speaker, according to Miss Sarah Beth Kurtz, sponsor.

Newman Club Sets Schedule, Announces New Officers

The Newman Club, MSC's Catholic youth organization, has announced leaders for the school year, along with a regular meeting schedule.

Officers are Rev. Lawrence Bossert, chaplain; Terry McGrath, president; Sherry Speer, vice-president; Judy Kimmel, secretary; and Diane Niewald, treasurer.

Meetings are held Thursday nights in the Gold Room, 6-7 p.m., and after the 9:45 Mass in the church basement. The next planned event is the Day of Recollection, Oct. 6, at Mount Alverno.

Diane Mitchell Named June Calendar Girl By the Teke Magazine

Miss Diane Mitchell was chosen to be the June calendar girl for The Teke, Tau Kappa Epsilon's national magazine.

Miss Diane Mitchell

Miss Mitchell was previously crowned sweetheart of the local TKE chapter at the spring formal and has won a runner-up position in the international TKE sweetheart contest.

As recognition for her beauty, intelligence, and personality, Miss Mitchell's picture appeared in the June issue of The Teke. She is a senior at MSC majoring in elementary education and is affiliated with the Alpha Sigma Alpha sorority.

INTRAMURAL COUNCIL MEETS AT DR. RIDDLE'S

The women's intramural program was planned, Sept. 28, at a dinner meeting at the home of Dr. Kathryn Riddle.

A dinner to honor the winners of last year's intramural activities was planned, with no exact date being set.

Gamma Sigma Plans Busy Schedule for '63

The Alpha Gamma chapter of Gamma Sigma Sigma service sorority has a busy year ahead of them.

President Janice Peterson, first vice-president Judy Lee, and second vice-president Pat Hillers have brought ideas from the National Convention at the University of Maryland this summer about expanding the sorority's activities on campus.

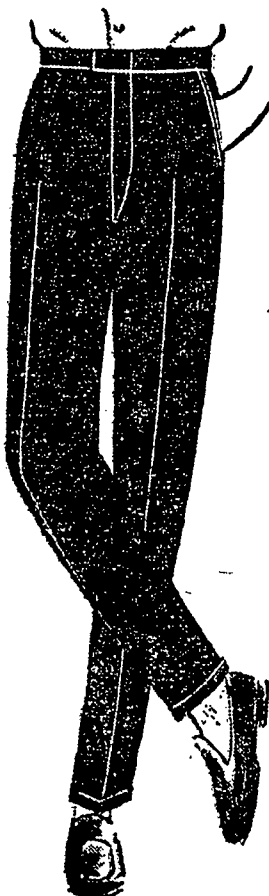

Other officers for this year are: recording secretary, Glenda Jamison; historian Sherrie Hartman; alumnae secretary, Charlene Farrow; reporter, Jean Kobashigawa; and parliamentarian, Sharon Phoenix.

The project of working with Alpha Phi Omega in the concession stand at the football games has been taken up again this fall. Judy Thatch is chairman of the concessions committee.

MSC Band Marches on

Oct. 12, 1963, the MSC marching band will march onto the football field for its first half-time football show. The members report they have been working extra hard to make this show one of their best.

The Homecoming show will be of special interest to all MSC students. The band, under the direction of C. Ward Rounds, will give a marching history of MSC. They will form the outlines of buildings on campus, concluding with the fine arts building, to be constructed in the near future.

Contra bass clarinets, bassoons, tympani and bass clarinets are some of the new instruments added to the band this year.

Rehearsals for the concert band will begin immediately after Homecoming. The first concert will be presented in musicale is planned for March. December, and the spring

The Progressive Jazz group will present a concert Dec. 11. The band, consisting of eighteen members, is under the direction of Earle Moss. They will be playing selections from Kenton, bossa novas, ballads, themes from TV shows and original compositions by Mr. Moss.

Add all these activities together and you will come up with a busy schedule for MSC's music department.

Reference Librarian Named to Post

Miss Barbara Palling, reference librarian at MSC, has been selected to be national advisor to local chapter advisors of Gamma Sigma Sigma service sorority. She has been sponsor of MSC's Alpha Gamma chapter since the fall of 1960.

One of Miss Palling's responsibilities will be to organize an advisor's handbook for local chapters. Miss Palling and Mrs. Dorothy Walker attended the national convention at the University of Maryland last June.

Kappa Delta Pi Holds Picnic

Kappa Delta Pi, honorary education fraternity, held a picnic at the College Park last Wednesday under the direction of president Harold Johnson.

Pledges of the organization were placed in charge of the event as part of their pledge training. Dr. John Harr is the group sponsor.

Faculty Briefs

Dr. John Harr attended a meeting of the officers and the executive council of the Missouri Council of Social Science Teachers at Columbia, Mo., on September 21. Dr. Harr is the state chairman for the advancement of certification requirements and in-service training of social science teachers.

Besides hearing various committee reports, the group made plans for the 1964 meeting of the National Council of Social Science at St. Louis.

Dr. Harr was cited by Burkhardt and Lee in the introduction of the Prentice-Hall publication of Guide to American Government for his ideas for new approaches for teaching American Institutions, the book presently used by the Social Science II classes.

Two representatives of MSC's art department were recently featured as speakers at area teacher's meetings.

Donald Robertson spoke Sept. 24, at Gallatin to the Davis County Community Teacher's Association. The topic was "Creativity and Sensitive Organisms." Robert Sunkel went to Richmond, Mo., Sept. 29, where he served as a consultant at the Ray County Teachers' Meeting.

New faculty members were the guests of honor at a tea held Sept. 26 by the Community Teachers Association. Presiding over the informal event was Mrs. Zelma Akes, president of the CTA.

New faculty members stood in a receiving line with President J. W. Jones and were introduced to members of the CTA by their department chairmen.

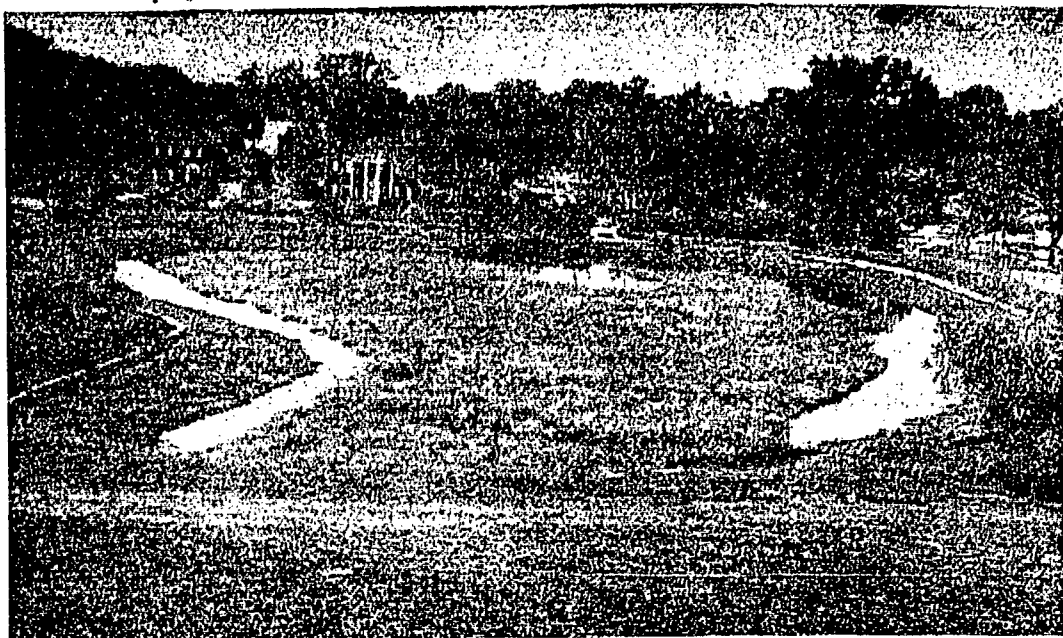

Miss Neva Ross, instructor of education, was appointed to two Missouri State Executive Boards this summer.

Miss Ross is area chairman for "The Implementation of the Study of Education Problems" on both the state and national levels for the American Association of University Women. She will attend the first area meeting of this organization tomorrow in Richmond, Mo.

Miss Ross is also membership of Delta Kappa Gamma, an honor society for Women in education.

On Oct. 10, 11, and 12, Miss Elvirga Denning, Miss Barbara Palling, and Mr. James Johnson, of the library staff, will attend the annual Missouri Library Association convention in Jefferson City.

MSC LAKE—The recently renovated Northwest State College pond is slowly filling with water after a retaining wall was built around the pond this summer. The work, which was started in late spring, was neces-

sary to protect the south wall and the tennis courts to the west. The pond is expected to fill to the top of the concrete wall which encircles most of the pond except the northern end. Photo by Mickey Ware.

Now five kinds of Chevrolets for all kinds of people!

JET-SMOOTH LUXURY CHEVROLET—For luxury-loving people. Rich new styling, finer appointments in all four series and 15 models. Engines up to 425 hp*, manual or Powerglide* transmissions.

NEW CHEVELLE—For pacesetter people. A totally new kind of car with small-car handling, big-car comfort! Styling that makes expensive cars jealous. Three series and 11 models, and a full choice of engine and transmission teams!

CHEVY II—For practical people. Chevy II with new V8 power* for fun-on-a-shoestring. Stretches the shoestring further with 4- and

6-cylinder engines. Chevy II's six models in two series all act like they're bigger, more expensive cars!

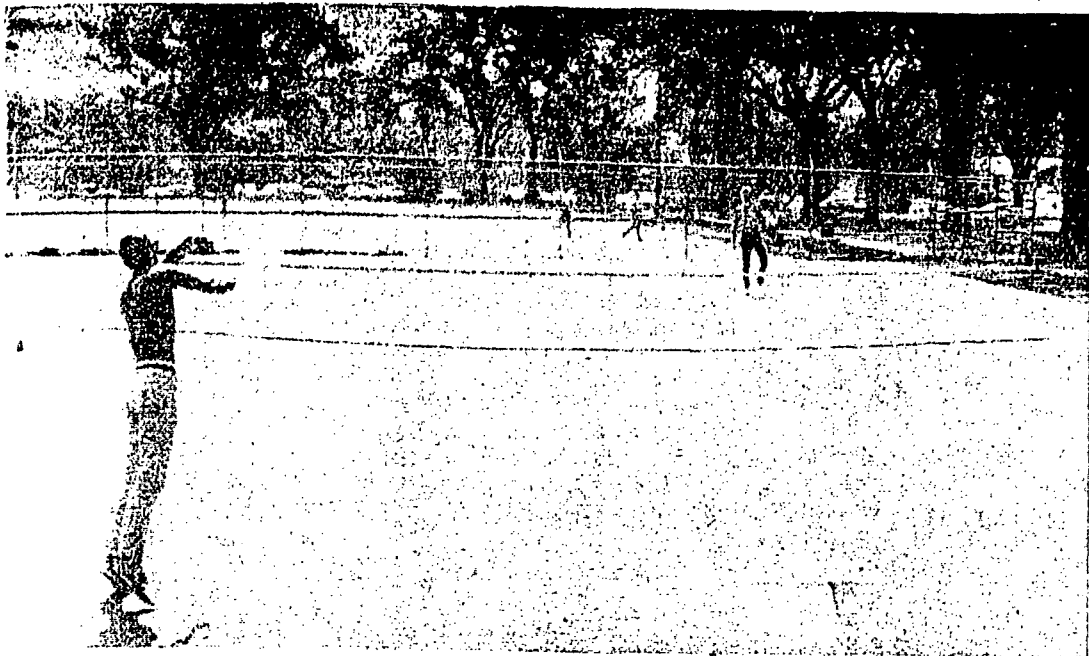

CORVAIR—For fun-loving people. More fun than ever from Corvair's new bigger engine! Same Corvair handling and riding ease in 9 models—including the 150-hp Turbocharged Spyders!

CORVETTE—For sports-minded people. Corvette now rides softer, smoother—but loses none of its gusto because its big V8 offers versions from 250 to 375 hp*!

Want to get together with other car-loving people? Go see your Chevrolet dealer... he likes all kinds!

RECENTLY CONSTRUCTED—Two Northwest State College freshmen, Phil Frahm, serving foreground and Dale Borchering, both of Denison, Ia., are shown playing on the college's newly constructed asphaltic

and the two south courts resurfaced this summer. The first official MSC competition on the courts began Wednesday when the annual intramural tennis competition started.—Photo by Mickey Ware.

Work Completed on MSC College Pond, Tennis Courts

The work of keeping MSC beautiful and of expanding its facilities kept a hectic pace this summer as many projects of maintenance and addition were completed.

This past summer, one of the main projects was the college pond. The pond was drained and cleaned, and a concrete wall was constructed around the edge to keep the water and muskrats from cutting back the banks. The wall will also serve as a bench for ice skaters in the winter as the water level will be at least ten inches below the upper edge. After more rock is added, it is hoped that the pond can be filled to resume its role in college life.

Other summer improvements were the new brick mall around the victory bell; the parking lots in front of Hudson and Perrin Halls; the usual replacement of curbs; an addition to the paint shop; a campus map at the southeast entrance to the college; and two new tennis courts, which are now in use.

The new tennis courts made it necessary to close the path from Colden Hall to Martindale Gym, but, according to Robert L. Seiple, superintendent of Buildings and Grounds, plans are being made to move the whole path and bridge to just north of the old walk.

Cars Are Out at O.U.

(ACP)—Starting this fall, student cars will be banned from the campus of the University of Oklahoma from 7 a.m. to 5 p.m.

Controversial Topics To Be Discussed by Social Science Club

The first meeting of the Social Science Club will be held on Oct. 14 in the Rose Room of the Student Union at 7 p.m.

The meetings of the club are open to all those who may be interested in the evening programs. Covering the broad

area of social science, the programs will include special speakers, discussions and debates concerning controversial, political, international, and domestic issues. Some of the programs will be of a professional nature; others will be of general interest.

The club president is Ramona Kinder, a senior. Other officers are John Foley, vice president; Carolyn Stolling, secretary; and Gary McQueen, treasurer.

Drama Department Prepared For Roman Orgy, Robots

Could you dress one hundred people who were on their way to a Roman orgy, or perhaps, anything from a caveman to a robot? Well, Dr. Ralph E. Fulsom, head of the MSC Speech and Drama Department can.

For a number of months, he and his staff have occupied themselves with an inventory of every article in a vast store of costumes and accessories.

Many of the costumes, which date from the past fifty years, have been donated by friends of the department. However, the majority have been constructed for particular roles in particular plays.

As an example, let us glance over an inventory for a typical costume show such as "Girl Crazy," which was presented last season.

Cast members were measured, pinned and basted until each had acquired a costume consisting of at least ten pieces. Multiply these by fifty cast members, with occasional complete costume changes, and one begins to have a vague idea of what the inventory involves.

If one were to peek into one of the boxes which have been inventoried from previous plays, he might chance upon 17 pairs of Elizabethan bloomers, or perhaps a suitcase full of plumes and feathers, or even a packing box full of loin cloths.

Before you know it, they'll start on coffee cups!

Univ. of Texas Students Decry Campus Buildings

(ACP)—Architecture students at the University of Texas, Austin, picketed the new West Mall office building in a brief protest against its architecture.

The students carried signs proclaiming "Monument of Mediocrity" and "Welcome to West Mall Alley." The demonstration ended when a policeman told the students to leave. The building is a \$867,000 four-story, white limestone structure.

One of the protesting students said: "These new buildings of the university are to architecture what rock 'n' roll is to music. It costs nothing more to have a fine architectural monument. Why not get the best?"

The campus newspaper, THE DAILY TEXAN, quoted the university comptroller, Charles Sparenberg, as saying: "During the last six years we have insisted that the architects be from Austin. Experience shows there's little advantage in going to New York or Chicago for a big name firm."

Ed Price, dean of student activities, had this comment: "People here have the habit of grabbing a sign every time they don't like something. Then after a few days they forget it."

Band Elects Officers

The MSC band has elected new officers for the year. They are as follows: John Flora, president; Galen Benton, vice-president; Rose Marie Adams, secretary-treasurer; Larry Miller, junior representative; and Larry Benton, freshman representative.

Speaker Ban Termed Illegal By OSU Prof

(ACP)—Speaker bans at American state universities are unconstitutional, according to William Van Alstyne, Ohio State University law professor.

Van Alstyne made the charge in the January issue of the University of Pennsylvania's "Law Review." He maintains the Fourteenth Amendment, which provides that no state can prohibit freedom of speech, applies to state universities because they are a part of the state.

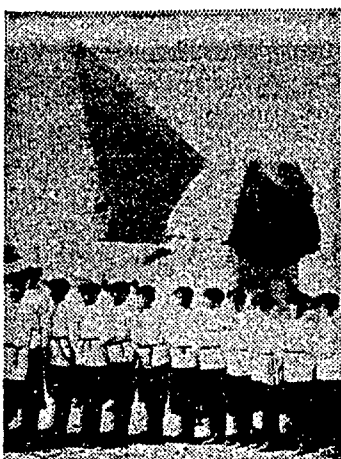

According to Van Alstyne, there are only two ways a speaker can be barred from a university campus constitutionally: If the speech would, at the particular time and place requested, disrupt previously scheduled university programs, or if the speaking area had been reserved.

However, he said the university could refuse a person permission to speak if the speaker's presence or speech would create "substantial probability that (he) will bring about the substantive evils that (the legislature) has a right to prevent."

Van Alstyne said many who have been prevented from speaking would not have created a clear and present danger and would have advocated lawful action only.

He explained that lawful action is action that, even if it resulted directly from the speech, clearly not be punished. As examples of the lawful action he listed speeches urging the repeal of the McCarran Act and elimination of the House Committee on Un-American activities, the repeal of the Sixteenth Amendment, recognition of Red China and impeachment of the Chief Justice of the United States.

Universities do not have to allow any guest speakers, Van Alstyne said. "However, it is doubtful that the primary educational purposes of a university are totally circumscribed by its curricula alone."

The Don Cossack Chorus and Dancers, shown in Egypt many years ago, will appear here Oct. 10, at 8:15 p.m., in Lamkin Gymnasium.

ACE Sets Meeting To Hear Speaker

The Association for Childhood Education will hold its regular meeting tonight in the kindergarten room at Horace Mann.

A guest speaker, Dr. R. B. Appleman, local optometrist, will discuss "Good Home-School Relationships." All elementary education majors are urged to attend by Miss Neva Ross and Miss Kathryn McKee, sponsors.

Dr. Angman Spends Summer Lecturing

Dr. Berndt G. Angman, professor of political science, taught a National Relations and American Government course at the University of Missouri this summer as a guest lecturer.

Dr. Angman is the second MSC faculty member to be so invited. While at M.U., he sat on the graduate committee and the executive council twice.

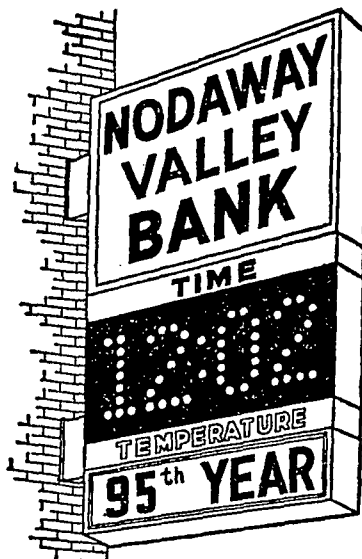

Commenting about his summer's work, Dr. Angman said, "Standards here are as good as those at M.U. Students who

do well here can do well at any graduate school. We have one of the strongest social science departments that any institution can boast." He also stated that he thought that too much of the attitude toward attending MSC was apologetic, since at a smaller school the students have more personal contact with their instructors.

Dr. Angman thought that it did a professor good to get out into another institution and compare teaching principles. He summed up his experience by saying, "I can say that I had a very enjoyable summer."

Chief Spencer Sets Policies

Most students who receive a Court Summons for a traffic violation are not familiar with Court procedure. We therefore make this information available to the students of Northwest Missouri State College.

The police court tries cases for violations of the ordinances of the City of Maryville each Monday and Friday afternoon at 4:00 p.m., second floor of the City Hall, 415 North Market Street.

We call your attention to the following: You are presumed to be innocent until proven guilty beyond a reasonable doubt. Traffic cases are heard first, then other cases in the order they appear on the docket. In all traffic cases, be sure to have your driver's license with you. When your name is called, rise and approach the bench. The charge or charges will then be read to you, and you will be asked whether you plead "guilty" or "not guilty." If you do not believe that you are guilty of the offense charged, you should answer, "not guilty." Even if you plead "guilty," the Judge will still make an inquiry into the facts before rendering judgment on your case. If you think there are mitigating circumstances, say "guilty, but I would like to make a statement." This is your privilege. It is the practice of the court to take up pleas of "guilty" first in order to save as much time as possible.

If you plead "not guilty," the City will put on its witness first, so you will know the details of the charge against you. After each witness finishes his testimony, you will have the right to cross-examine him, that is, ask him questions concerning the case and his statements, but you must confine yourself to questions only. You will have the opportunity to make your statements after the City's case is completed, and present your evidence and call such witnesses as you desire. If you do not know how to ask the questions, the City Prosecutor or the Judge will help to do so. You do not have to say anything unless you desire, for no person can be forced to testify against himself, but if you do testify, the prosecutor has a right to cross-examine you fully.

If the court finds you guilty, and you believe that this is wrong, you have the right to appeal your case to the circuit court. You must notify the court that you wish to appeal immediately after the verdict. If you do not understand how to do this, the judge will instruct you.

After the appeal has been completed, the case is sent to the circuit court, where it is tried over again, before a different judge and/or a jury.

You do not necessarily need an attorney in the police court, but you will usually need one in the circuit court.

We ask for your cooperation and support to make our City safe for everyone.

Thank you

GEORGE D. SPENCER
Chief of Police
Maryville, Missouri

WELCOME to MSC—Dean of Women Gimmie Atchley is shown speaking at Freshman Orientation.

MSC Athletes Boost Oilers

by Lanny Green

This past summer several MSC students, former MSC students and graduates joined forces and produced one of the most respected and feared softball teams in the state.

Under the leadership of manager Cliff Cockayne and sponsor Elmo Trimble, the Conoco Oilers compiled a 29-14 record. The Oilers began play in the Northwest Missouri loop, but when the league folded they took on all comers.

Marvin Murphy, MSC graduate and coach at North Nodaway, Hopkins, handled the majority of the pitching chores. Murphy hurled one no-hitter, one one-hitter, and several two and three hit games, while compiling a 14-9 record. Murphy's no-hit game came against the Maryville Shoe team, which was composed almost wholly of college varsity baseball players. Most of Murphy's lost games were accounted for by team errors. His 0.56 earned run average attests this fact. Sharing the pitching duty with Murphy were two former students Jack Long and Dale Wilson, who had earned run averages of 1.26 and 1.75, respectively.

MSC student Terry Owens proved to be the man with the big stick as he led the Oilers in batting average, .422, runs batted in, 47; runs scored, 38; and home runs, 12. Another student, Jon Baldwin, aided the team with a .250 average, 6 RBI's, and 10 runs scored.

Several other graduates who were active in this summer's program were Bill Burch, now teaching at Maitland; Jamie Neely and Bob Wakely, both instructors at Graham; Don Combs, instructor at North Nodaway; Jack Tipton, a teacher at Brookfield; and Bill Speaker, now teaching in the Council Bluffs, Ia., school system. Of these players Neely was the run producer with six, and Tipton's second leading home ton was second in batting averages with .415.

Jim Sanders, Ron Brumley, and Lee McNichols who are presently students at MSC filled in for the team's regulars in cases of absences.

Major accomplishments achieved by the Oilers were winning the Albany and the Conception tournaments, placing second in the Barnard tourney, third in the Ravenwood meet, and fourth at Fairport.

P. E. Course Offers Official's State License

Any MSC male student wishing to become a registered official in high school ranks in the state of Missouri need not wait until he is out of college, according to Dr. H. D. Peterson, chairman of the physical education department.

By completing requirements in P.E. 151, students automatically become eligible to become officials without taking the usual tests of qualification. The regular fee of \$5.00 applies to students of the course. This is the same fee assessed to all other Missouri high school registered officials.

Practical experience is gained through the intramural touch-football program, with all enrolled men required to officiate games on a regular schedule. Prior to the intramural officiating, the class studies and reviews rules through guides, films, and rule books, provided by the Missouri High School Activities Association. The course is offered only in the fall semester.

The Oilers participated in the State Softball Tournament but were ousted by the eventual state champions, Morris Plan of St. Joseph.

6-7-8 Touch Football Starts With Organizational Meeting Saturday Morning at MSC

About eight touch football teams of 10 or 11 boys each are expected to be formed in the 6-7-8 League fall program after the organizational meeting at 9 o'clock Saturday morning in the MSC gym, Dr. H. D. Peterson, coordinator of the program, predicted today.

The touch football program has been added this fall to a program which started as a city basketball program five years ago. Last spring a kid's wrestling program was added.

All boys in sixth, seventh and eighth grades in Maryville schools are eligible to participate if they have their parent's permission.

Rex Pettigrew will be Peterson's key assistant, backed up by Robert Corley. Students of the Northwest State College health and physical education department will be assigned as coaches to each team.

Play will be held each Saturday morning, starting Oct. 5, on the MSC baseball field at the northwest corner of the MSC campus. Teams will consist of eight players and subs.

The boys will not be allowed to wear spiked or cleated shoes at all. Tennis shoes are preferable. They need no equipment, no padding or helmets and will play in T-shirts and jeans.

In the early part of the program, the boys will be given instruction on stance, blocking, passing and kicking. Team play fundamentals will be stressed.

Each boy who desires to participate in the touch football program should fill out the blank below, have his parents sign, and take it to the MSC gym at 9 a.m. Saturday.

Wm. Jewell Pulls 28-13 Win Over Bearcats in 4th Period

A much heavier Northwest State College line pushed the William Jewell Cardinals all over the Liberty field for three quarters Saturday night only to see them break up a tight duel with three fourth-quarter TD's for a 28-13 victory.

Maryville State, which gained 280 total yards to 235 for the Redbirds and 17 first downs to four for Jewell, jumped off to a first quarter lead as Don Daniels smashed across from one yard out to cap a 63-yard march from the MSC 37. Mike Peterson booted the extra point.

Clem Buschmann, record-breaking Jewell halfback who picked up 106 of the Cards' 195 rushing yards, tied the count in the second canto on a 38-yard end run. Ray Ritchey kicked the PAT to knot the score at seven all.

Maryville received the second half kickoff and seemed determined to pick up its second win as the 'Cats moved 80 yards in 12 plays with right halfback Lonnie Irvin slicing over the one to put MSC ahead 13-7. Peterson's kick was no good and the Bearcats scoring was over for the evening.

Jewell took advantage of a Maryville fumble in the waning seconds of the third quarter as Card guard Mike Snead pounced on the errant pigskin and on the second play of the final quarter Jack Patterson sprinted 50 yards to paydirt. Ritchey again kicked the PAT to give the Cards all they needed, a 14-13 advantage.

The Cardinals came up with two more scores in the last period as Buschmann streaked across from the two' after fielding a short MSC put on the Cat 32. Buschmann connected with end Charlie Case on a 24-yard TD pass to close out the scoring with five minutes left.

Maryville, which held the Cardinals to a single first down through the first three quarters, now has a 1-1-1 slate. Jewell is 2-1 for the season.

Next game for the Bearcats will be Friday night at Nebraska Wesleyan University, Lincoln, Neb.

In other MIAA action Springfield State upended major college power Drake University 13-7; Northern Illinois routed Kirkville 21-12; Pittsburg smashed Rolla 35-6; and Washburn smothered Warrensburg 34-0.

	MSC	Jewell

Passes intercepted	1	1
Punts	5-20	7-26
Opp fumbles rec.	0	1
Penalties	57	65

Springfield Upsets Drake

The Springfield Bears, now 3-0 for the season, upset major college foe Drake University of Des Moines, Ia., last Saturday in Springfield.

The 13-6 score gave the Bears their third straight win. It marked the first time Springfield had allowed an opponent to score this year.

Pettegrew Reminds Captains Of Touch Football Rules

Rex Pettegrew, student director of intramurals, reminds team captains that eight players must be present at game time for participation.

Less than eight players will result in team forfeiture. Playing a man not on the active team roster will also result in forfeiture, with possible further actions being taken on offending teams.

Pettegrew added that teams should report to assigned fields 15 minutes before game time. Warm-ups should be done on the sidelines if other games are in progress.

Buckridge Sets Initial Practice

MSC basketball mentor, Coach Dick Buckridge, has set the first 1963 basketball practice for Oct. 15, 6:30 p.m. in Lamkin Gymnasium.

Practice sessions will be held from 6:30-8:30 p.m. until the completion of football, when the sessions will move to the usual 4:30 p.m. schedule.

Coach Buckridge has asked that all men intending to report for practice contact him in advance.

END RUN . . . Hal Wittbrodt, MSC Bearcat fullback, picks up a first down. Number 73 for the Bearcats is tackle Dick Heinen. (Photo by Ware)

'Cats Seek Revenge Win At Wesleyan

The MSC Bearcats travel to Lincoln, Neb., to tangle with the Nebraska Wesleyan Plainsmen, Friday, Oct. 4, at Magee Stadium.

The Plainsmen, who are coached by Ray "Westy" Westover, are out to better their last season's 2-4-2 record. Wesleyan returns 14 lettermen to the gridiron sport this year. Heading the backfield is veteran quarterback, Mike Slatinsky, who led the team in total offense last year with 337 yards rushing in 113 carries. He also completed 20 of 58 passes for 351 yards. Also slated for action in the backfield is transfer Dave Newton, a 6-1, 200-pound sophomore from Tabor, Ia.

Women's Intramural Slate Set at Meeting

The Women's Intramural Council officers for this year have been announced by Dr. Kathryn Riddle, sponsor.

Overall intramural chairman is Marion Smith. Assisting co-chairmen are Linda Greenwood and Rhodetta M. Jessen.

Other individual sport chairmen are: volleyball, Kathy Bogdas; assistant, Phyllis Fostenau; basketball, Barb Chick; assistant, Ginger Barnes; bowling, Joan Lynch; assistant, Jolene Larimore; softball, Judy Walnerton; assistant, Linda Drummond.

filling in at the fullback slot. Bill Rohrig will also do his share of the ball carrying duties.

The forward wall of the Wesleyan line is reportedly solid and will average close to 200 pounds. Two freshmen regulars last season, Mick Pierce and Ron Fox, who tower to 6-3 and tip the scales at 200 pounds, are the mainstays in the Plainsmen's line. Adding more punch and experience to the line is 5-11, 230-pound Dave Packard, a senior letterman. Also adding support to the line are Ted Brookman and Ron Nannen.

Past encounters show the Plainsmen leading the series 2 to 1, having defeated the Bearcats 13-6 last season. Nebraska Wesleyan is a member of the Great Plains College Association.

Follow the Fighting Bearcats on the road through the Missourian. Support them at home by your attendance.
